## Vrs

Arise and shine the Light has come, the glory of the Lord has risen  
Arise and shine lift up your eyes, an abundance has been given  
Walls of salvation and gates of praise, no longer will the sun light the days

## Chrs

Everlasting, Everlasting light my God my glory  
Everlasting, Everlasting light my God my glory

## Vrs

Come alive take the breath of life, the Prince of Peace will save you  
Come alive shed the Light, All the riches He will bring you  
A fortress on this earth he reigns, has come to carry away our pains

## Chrs

Everlasting, Everlasting light my God my glory  
Everlasting, Everlasting light my God my glory

## Brd

Hearts they will swell with joy, in the presence of the throne  
Children clothed in praises, celebrate, what's been made known

## Chrs

Everlasting, Everlasting light my God my glory  
Everlasting, Everlasting light my God my glory
