You gave me life in 1965, gave me love dreams and hope and faith in Christ  
Always there for me and you always put me first, at every game and every show  
when I was down and at my worst  
Mom and Dad, there's so much you've done for me, there's a place in heaven just for you  
wait and see

Two young girls, innocent in this world, you let me dress you as cowboys when you just  
wanted to be little girls  
I watched over you as did the man above, you've become amazing moms your kids I  
adore and I love  
My beautiful sisters, your dreams you will find, I love you both and I think of you all the time

### **Chrs**

God blessed me with you God blessed me with you

I was the youngest of four best friends, sometimes they would play a little rough but I was  
the hero in the end  
We travelled the country and I watched my brothers shine, but God works in mysterious  
ways and for the band it just wasn't our time  
I hope you guys know you're a part of who I am and that I love you and our time will come  
again

### **Chrs**

God blessed me with you God blessed me with you

### **Vrs4**

I prayed for someone who could change my life, A girl who was one with God that would  
love me and be my wife  
Then from out of nowhere like an angel you spread your wings, covered my life with joy,  
made me complete  
There's so much joy inside me, I'm grateful for what is true, God had blessed me with  
more than enough, now He's blessed me with you

God blessed me with you God blessed me with you
