We have a call to reach the nations
Good news brings celebration and unity, Father bring unity
To the ends of the earth we go
Peacemakers we will sow, righteousness, a harvest of righteousness

chrs

Brothers, Sisters,
Lets come together, change the world forever, come on

vrs2

The untouched, and unreached people
Can hear the truth and know God's real, everyone, He longs for everyone
Proclaim hope and freedom, living in this glorious kingdom
Let it come, let Your will be done

chrs

Brothers, Sisters,
Lets come together, change the world forever, come on

brdge

You've been born for such a time as this
Don't let this moment pass you by
Let the spirit tell you what to do
The King of Kings is calling you

Lets come together, change the world forever, come on
